DETAILS

This course is being hosted via video conferencing software ClickMeeting. Registrants will receive the link to the classroom the day before the course to ensure device, operating system and browser compatibility. For a guide on how to join a meeting, click here. OSHA requires student identity verification.

Upon successful completion of this two-day course, a copy of the training log will be provided to students and the email provided at registration. OSHA 10-hour cards are mailed (3-4 week delivery). We recommend having cards mailed to a central office to make copies, as there is a cost for replacement. As of 2019, OSHA 10-Hour #7615 cards **do not expire.**
